A RARE OPPORTUNITY For Young Men Desiring to Enter the Ministry.

The Phelps's Hall Bible Training School, conducted in connection with the Tuskegee Normal and Industrial Institute offers exceptional opportunities for young men who wish to prepare for the Christian ministry. A special building known as the Phelps's Hall Bible Training School, is set apart for this department of the work. It contains a chapel, library, reading room, office, three recitation rooms and forty sleeping rooms. The teaching is wholly denominational, the purpose being to help all denominations and not to antagonize any. The cost of board is \$8 per month and students are given a chance to work out a portion of this, leaving, as a rule, but five or six dollars to pay in cash. A few who have no money are given an opportunity to work out all of their expenses. Lack of means need deter none. The teaching in this department is free. The next school term begins September 11. Further information may be had by addressing Booker T. Washington, Tuskegee Normal and Industrial Institute, Tuskegee, Alabama.

DOCTOR

SHEA'S

MARVELOUS

MEDIUM

Gives the names of dead and living friends tells who and when you will marry also of business journeys lawsuits, absent friends health or anything you wish to know, no matter what it is. He can call up your spirit friends and show them to you. Can make them rap all around the room. He asks no questions don't ask you to write names of him. Don't try to pump you in any way, out tells you right off. He is thoroughly imbued by leading spiritualists everywhere, received from them a gold medal and special license to practice his wonderful powers; credentials no one else can show can give thousands of references to both white and colored patrons. Twenty-five years' practice—seven in Brooklyn—will show you that he can do all he of. Can tell what business is best for you and where, how to win speedy marriage with the one you love. How to be successful in all your doings in short what is best to do. He will succeed when all others fail. Positive satisfaction or no pay. Call and see. You will find it luck to consult this Christian gentleman. He has a medicine that will cure drunkenness; can be given patients not knowing it. Thousands through him are now

RICH HAPPY AND SUCCESSFUL

with all their undertakings, while those who neglect his advice are still laboring again poverty. Through his perfect knowledge of chemistry he can impart to you a secret that will overcome your enemies and win you friends. His aid and advice has often been solicited; the result has always been the securing of speedy and happy marriages and all your wishes. In love affairs he never fails. He has the secret of winning the affections of the opposite sex.

It is the curse of Spiritualism that in all large cities there are a class of men and women who claim powers they do not possess. They have neither gifts, credentials, nor references. Surely the colored people are not so wanting in sense as to throw their time and money away on such. Dr. Shea refers to the Hon. Charles Miller, capitalist, 2481 Atlantic avenue; the Hon. William Denmore, architect and builder, 47 Cleveland avenue, and Mr. Arthur Sewell, ship builder South Brooklyn. All have known him for the past ten years. He gives a free test of his power to all. The doctor has practiced five years in New Orleans, St. Louis, Memphis and Louisville, understands thoroughly the diseases, spells or influences the race is subject to. He has now and always had large patronage from them.

Brooklyn, August 15, 1891—This letter is to certify that I came to New York from Albany. I was a stranger in a strange city, out of work and out of money. I had no luck in anything I undertook. What to do I did not know. A friend advised me to go and see Dr. Shea. I did. He told me the cause of my troubles; he took me in and treated me as a brother. Through him I got a good position that very week. I had been to others, they took my money and did me no good. I bless the day I first met Dr. Shea. I would advise all in bad luck, sick or in trouble to go to him at once.
Sincerely, Albert Ayers,
2987 Atlantic Avenue.

Brooklyn, August 15, 1891—This letter is to certify that my husband had gone away and had been absent two years. I mourned for him night and day. I gave him up as dead. Hearing of the wonderful things Dr. Shea was doing I resolved to consult him. He told me that my husband was alive and well and where he was; told me he would come home and when. To my joy all of it came true. He is home now, came back like one from the dead. I also wish to say that this month I lost \$250. I am a poor woman and I was almost insane. I went to Dr. Shea and he told me I would find my money and to my intense joy I find it as he told me. I thank God there is a man so gifted in our midst, that can help people and tell them what to do.
Mrs. Mary Miller,
South Plainfield, N. J.

A SENSATION IN BROOKLYN—MINISTER'S STATEMENT

I wish to state that one of my parishioners was sick and in trouble for a long time, Mrs. Brown, 37 Gay street. No one seemed to understand her case. She had several doctors but none of them seemed to know what was the matter. None could do her any good. It was my duty as her pastor to call and see her. Hearing of the wonderful work being done by Dr. Shea the last few years, I thought I would call and see him myself. I found him a sympathetic gentleman. He gave me a wonderful test of his powers, told me to send him a lock of patient's hair, which I did by her daughter. He told at once what was the matter, and in a short time cured her round and well. Her family had seemingly been under a cloud. Now all is changed. All are well and prosperous. I can truly and heartily recommend Dr. Shea, to all those in sickness or distress of any kind. Rev. William Johnson, pastor Lebanon church, Brooklyn.

Dr. Shea can show thousands such as the above.
